

# “Not even Einstein could envision an excuse to miss this opportunity to give”

- A Past Saint Peter Parent

**CALLING ALL PARENTS:** Now you do not have to be a major donor to give like one. Just become one of the many parents to make a gift to this year's Annual Fund and a Group of Past Saint Peter Parents will celebrate your participation with Major Gift of \$5,000 or more.

That's right a **Major Gift**. Every donation counts, no matter how small. **Even a dollar**. Spread the word.

Thus far, we are about 70% towards our goal of raising \$100,000 for this year's Annual Fund.

**Donate Now** at [www.saint-peter-school.org](http://www.saint-peter-school.org) and click on the Giving Tab.
